Kensaku Kakimoto

Director/Cinematographer/Photographer

Manager of theatre-tokyo

Working at films, TV commercials, music video and others as a videographer and photographer.

He thinks much of cutting and shooting the things, which we can't express in words, such as atmosphere, temperature and emotions, and produces his works on the motto of "Think globally Act locally". Began making his first pieces in his school days, while gaining experience in films and music videos as an assistant director, and worked under Hiroyuki Nakano in Nakano's peace promoting production unit "Peace Brothers" as its youngest member.

In 2005, he completed his first independent feature film "COLORS" and made cinema debut with "Sleeping Flower".

In 2012, the films "UGLY" and "LIGHT UP NIPPON" were released.

Thereafter, continue to work vigorously work in the field of TV-CM and MUSIC VIDEO as director & D.OP,

Won the AWARD in a number of Film Festival and International Advertising Festival.

2015, short film "All for Cinema" is published in Japan.
